

New Source Review newspaper advertisements for construction permit applications, April 28, 2016. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications were published on one of the following dates: April 27, 2016, April 28, 2016, or April 29, 2016. Public notices are generally published every two weeks. The previous publication of public notices was April 14, 2016.

PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15th Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 2nd Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532 0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

The applicant is Flex-N-Gate Rockford, Inc. dba Flex-N-Gate Rockford with a mailing address of 2460 Stock Creek Blvd, Rockford, TN 37853. They seek to obtain an air contaminant permit (Division identification number: 05-0176-02, 05, 07/ 71366) for modification of a plastic parts flow coating operation (source 02), a spray coating operation (source 05), and a gluing operation (source 07) located at the same address. A regenerative thermal oxidizer (RTO) will be installed to reduce potential volatile organic compound and hazardous air pollutant emissions from the facility. There would be physical construction. Regulated air contaminants are emitted by these sources. The changes described above were authorized by permit 968156P which expired on February 18, 2016; however, the facility has notified the Division of Air Pollution Control of a change of ownership (formerly Cooper Standard Automotive Rockford) and must obtain a new permit to complete the modification. Mr. John Trimmer is the assigned Division person.

For the Blount County "Maryville Daily Times" -- publish once on Thursday, April 28, 2016.

The applicant is Clinch River Casting, Inc. with a mailing address of P.O Box 239, Caryville, TN 37714. They seek to obtain an air contaminant permit (Division identification number: 07-0101-03/70781P) for a Mold and Core Making Operation located at 239 Stone Mill Road, Jacksboro, TN. This existing operation consists of sand mixing and binder usage. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be no physical construction. Regulated air contaminants are emitted by this source. Ms. S. Shajikumar is the assigned Division person.

For the Campbell County "LaFollette Press" publish once on Thursday, April 28, 2016.

The applicant is Potter South East, LLC with a mailing address of 511 East Monticello Pike, Huntsville, TN 37556. They seek to obtain air contaminant permits for construction of a Portable Concrete Batch Plant with Motor at 350 Royal Drive, Caryville, as follows:

(1) 2011 Model Cemco 275 Portable Concrete Batch Plant (Division identification number: 07-0191-01/971529P). The proposed operation would consist of will consist of one trailer with weight batcher, storage silo, and associated equipment used to mix concrete. Wet suppression will be used for control of particulate emissions. There would be physical construction during trailer setup. Regulated air contaminants would be emitted by this source.

(2) 140 Horsepower motor associated with the Portable Concrete Batch Plant (Division identification number: 07-0191-01/971530P). This proposed operation will consist of one internal combustion compression ignition engine used to drive the belts and hydraulic equipment associated with the Concrete Batch Plant. Because of the amount and type of emissions, pollution control equipment is not proposed. There would be physical construction during trailer setup. Regulated air contaminants would be emitted by this source.

Chelsea Meadows is the assigned Division person.

For the Campbell County "LaFollette Press"--publish once on Thursday, April 28, 2016.

The applicant is CITY OF EASTVIEW with the mailing address: 199 Highway 57, Eastview, TN 38367. They seek to obtain air contaminant permits for two emergency generator engines located in the City of Eastview, as follows:

(1) CITY HALL emergency power unit with the site location address: 199 Highway 57, Eastview, TN 38367 and with Division identification number: 55-0182-01/971526P. This existing operation consists of one 53.6 Hp LPG engine and associated equipment used to provide electrical power during an emergency. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be no physical construction. Regulated air contaminants would be emitted by this source. Mr. R. Benjamin is the assigned Division person.

(2) FIRE HALL emergency power unit with the site location address: 65 Parkway Circle, Eastview, TN 38367 and with Division identification number: 55-0182-02/971527P. This existing operation consists of one 29.5 Hp LPG engine and associated equipment used to provide electrical power during an emergency. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be no physical construction. Regulated air contaminants would be emitted by this source. Mr. R. Benjamin is the assigned Division person.

For the McNairy County "Independent-Appeal" - publish once on Wednesday, April 27, 2016.

The applicant is Vulcan Construction Materials, LLC dba Sweetwater Quarry with a mailing address of 3001 Alcoa Highway, Knoxville, TN 37920. They seek to obtain an air contaminant permit (Division identification number: 62-0010-03 / 971516P) for construction of a Portable Grizzly Screen at 1700 Sands Road, Sweetwater. This proposed operation would consist of a portable shot rock screen. Wet suppression will be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Chelsea Meadows is the assigned Division person.

For the Monroe County "Monroe County Advocate and Democrat"-- publish once on Wednesday, April 27, 2016.

The applicant is Kayser-Roth Corporation, with a mailing address of 220 Broadway Street, Dayton, TN 37321. They seek to obtain an air contaminant permit (Division identification number 72-0035-01 / 971489P) for construction of a 20.4 MM btu/hr natural gas- fired boiler (No.2 fuel oil as back-up) located at the same address (mailing address). This boiler replaces the existing 10.1 MM btu/hr natural gas-fired boiler #1 at this source. There would be physical construction, and regulated air contaminants would be emitted by this source. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. Mr. Younes Aleali is the assigned Division person.

For the Rhea County "Herald-News"- publish once on Wednesday, April 27, 2016.

The applicant is Key Stops LLC with a mailing address of 376 Reasonover Drive, Franklin, Kentucky 42314. They seek to obtain air contaminant permit(s) (Division identification number(s): 75-0769-01/971510G for installation of new underground storage tanks with tank vents. The facility is located on 3330 Elman Farm Parkway, Murfreesboro, TN, 37127. The requested operation is for the approval to emit regulated air pollutants. Mr. Jim A. Attar is the assigned Division person.

For the Rutherford County "Daily News Journal"-- publish once on Thursday, April 28, 2016.

The applicant is Hollingsworth Oil Company with a mailing address of 1503 Memorial Blvd, Springfield, TN, 37172. They seek to obtain air contaminant permit(s) (Division identification number(s): 83-0289-01/971487G for the installation of a new Gasoline Dispensing Facility with vent tanks. This facility is located on: 934 Louisville Highway, Goodlettsville, Tennessee 37072. The requested operation is for the approval to emit regulated air pollutants. Mr. Jim A. Attar is the assigned Division person.

For the Sumner County "News-Examiner"-- publish once on Friday, April 29, 2016.

The applicant is Fairview Asphalt Products, Inc. with a mailing address of 135 Old Carters Creek Pike, Franklin, TN 37064. They seek to obtain an air contaminant permit (Division identification number: 94-0250-01/971525P) for an existing 1,189 HP diesel-fired non-emergency engine that powers the asphalt plant located at 1322 Highway 96 North, Fairview, TN 37062. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would not be physical construction. Regulated air contaminants are emitted by this source. Mr. C. Meek is the assigned Division person.

For the Williamson County "AM section of the Tennessean" - publish once on Wednesday, April 27, 2016.

The applicant is Wonder Porcelain Group, LLC with a mailing address of 2760 Highway 109 North, Lebanon, TN 37090. They seek to obtain air contaminant permit(s) for a Raw Material Storage and Handling, Spray Dryer, Silos and Tile Presses, Glaze Prep and Application, Tile Kilns, Facility Cleaning and Emergency Engines Operations and associated equipment at the following location:

95-0410-01, 02, 03, 04, 05, 06, 07/971471P, 971472P, 971473P, 971474P, 971475P, 971476P, 971477P
for 2760 Highway 109 North, Lebanon, Tennessee 37090.

The requested operations are for the approval to emit regulated air pollutants. Mr. Jabari D. Martin is the assigned Division person.

For the Wilson County "Lebanon-Democrat"-- publish once on Thursday April 28, 2016.
